

# TEDxBanbury Performer Announcement

## *The Remarkable Dance Company*

TEDxBanbury are pleased to announce that Banbury based Remarkable Dance Company will be performing on 29 February 2020.

Supported by Arts Council England, *The Remarkable Dance Company* was formed in response to a need for more inspiring creative activities for older people in Oxfordshire. At present there are 19 members in the company aged between 53 and 82. To date they have worked at locations in Banbury and Bicester with professional choreographer Leva Kuniskis, Uchenna Dance Company, and world renowned modern ballet company Yorke Dance Project, to develop new and exciting dance pieces.

'We are delighted that the Remarkable Dance Company will be showcasing a unique dance piece against the beautiful backdrop of St Marys Church', said Hilary Beaton, Curator of TEDxBanbury. 'Rehearsals are now underway with members of the company which are being co-ordinated through our creative partner the Mill Arts Centre'.

Tickets are now on sale for the inaugural TEDxBanbury event early next year, bringing together speakers from a range of disciplines to create an inspiring programme across the day. Ticket information can be found on the TEDxBanbury website: <https://www.tedxbanbury.com>, Twitter and Facebook.

### **About TEDx, x = independently organised event.**

In the spirit of ideas worth spreading, TEDx is a program of local, self-organized events that bring people together to share a TED-like experience. At a TEDx event, TEDTalks video and live speakers combine to spark deep discussion and connection in a small group. These local, self-organized events are branded TEDx, where x = independently organized TED event. The TED Conference provides general guidance for the TEDx program, but individual TEDx events are self-organized. (Subject to certain rules and regulations.)

### **About TED**

TED is a nonprofit organization devoted to Ideas Worth Spreading, often in the form of short talks delivered by leading thinkers and doers. Many of these talks are given at TED conferences, including our annual gathering in Vancouver, as well as TEDWomen, intimate TED Salons and thousands of independently organized TEDx events around the world. Videos of these talks are made available, free, on [TED.com](http://TED.com) and other platforms. Audio versions of the talks from TED2019 are published to TED's podcast [TED Talks Daily](#), available on all podcast platforms.

TED's open and free initiatives for spreading ideas include [TED.com](http://TED.com), where new TED Talk videos are posted daily; [TEDx](#), which licenses thousands of individuals and groups to host local, self-organized TED-style events around the world; the [TED Fellows](#) program, which selects innovators from around the globe to amplify the impact of their remarkable projects and activities; the [Audacious Project](#), which surfaces and funds critical ideas that have the potential to impact millions of lives; [TED Translate](#), which crowdsources the subtitling of TED Talks so that big ideas can spread across languages and borders; and the educational initiative [TED-Ed](#). TED also has a growing library of original podcasts, including [The TED Interview](#) with Chris Anderson, [WorkLife with Adam Grant](#), [TED en Español](#) and [Sincerely, X](#).
